20. NEED FOR CHANGE Current warning restricts firing of the M888 in M19 mortar at above charge 2. The old model M2 and M19 mortars were not designed to withstand the higher pressures generated at higher charges by the 800 and 700 series 60mm mortar ammunition. Update of warning will restrict firing in the old mortars entirely, and will eliminate the possibility of inadvertent firing at elevated charge in the old model M2 and M19 mortars.
